

SE4GD Summer School Programme

1 – 5 July 2024

VENUE: University of Santiago De Compostela, Campus Vida,
CITIUS-ETSE

WIFI ACCESS AT ETSE

Network name: SE4GD

Login: SE4GD

Password: H&NK9tLLjoeB

Emergency number: 112

1 July, Monday

08:00-9:00

 Breakfast

9:15-10:00

 welcoming and Opening session – Jari Porras and Nelly

10:00-11:00

 Silverio Martinez-Fernández. *Sustainable machine learning systems: from measurement to optimization of energy efficiency*

11:00-11:30

 Coffee break

11:30-13:00

 Thesis presentations-cohort 2: each (+5 min questions) 10 min

13:00-14:30

 Lunch at USC

14:30-17:00

 Thesis Presentations -cohort 2

17:00-17:30

 Coffee break

17:30-18:30

 Thesis Presentations -cohort 2

19:00-19:30

 Visit History Building. Downtwon -USC

20:00-21:30

 Dinner at USC

2 July, Tuesday
Assembly Hall-ETSE

08:00-9:00  Breakfast

9:15-10:00  Oresti Banos. *Smart mobile sensing for human behaviour understanding*

10:00-11:00  Lene Sørensen. *Spread the word: How pluricards can work to enhance software engineers' views on sustainability*

11:00-11:30  Coffee break

11:30-12:30  Alejandro Catalá Bolos. *A glimpse into intelligent multimodal user interface design for social good*

12:30-13:30  Lunch at USC

17:00-17:30  Coffee break

17:30-19:30  Poster Session

19:30-20:30  Dinner at the USC

20:30-23:00  Soccer/Football

3 July, Wednesday Cidade da Cultura- Fontán building

08:00-9:00  Breakfast

for Life Sciences

10:00-11:00  Inditex: Adrián González Sieira. *AI-based solutions for sustainability use cases in a global fashion retailer*

11:00-11:30  Coffee break

11:30-12:30  Neurologya: Juan Graña

12:30-13:30  Lunch at USC

13:30-14:30  Visit city of the culture

15:00-15:30  Ian Brooks. *UN SDGs as requirements in Software Engineering*

15:30-16:30  Panel Industry-Academia

16:30-17:00  Hackathon-introduction: Fernando Suárez. *Urban Challenges and Smart Solutions for Santiago de Compostela: Recycling & Tourist Supervision*

17:00-17:30  **Bus to Emprendia (Life campus)**

17:30-20:00  Hackathon - team preparations

 Consortium meeting (Programme future)

20:00-21:00  Dinner at USC

4 July, Thursday Emprendia building

08:00- 9:00  Breakfast

9:15-10:30  Hackathon – ETSE
 Administrative meeting

11:00-11:30  Coffee Break

11:30-12:30  Hackathon – ETSE

12:30-14:00  Lunch at USC

14:00-17:00  Hackathon – ETSE
 Academic board meeting (selection criteria, selection processes, courses, feedbacks)

17:00-17:30  Coffee Break

17:30-19:00  Hackathon – ETSE
 Karlskrona group meeting

20:00-22:00  (Gala) Dinner

9:15-10:00  Norbert Seyff. *Sustainable Digital Systems – The Role of Professionals in Driving Change*

10:00-11:00  Marcos Fernandez. *NLP uses cases for social good*

11:00-11:30  Coffee Break

11:30-13:00  Hackathon results / Farewell cohort 2

13:30-14:30  Lunch at USC

14:30-15:00 SE4GD Farewell

5 July, Friday
Assembly Hall-ETSE

08:00-9:00  Breakfast
